STATE GENERAL ELECTION NOVEMBER 6, 2012

Vote For Constitutional Amendments

If a majority of all the electors voting at the election vote to ratify an amendment, it becomes part of the Constitution.

Proposed Constitutional Amendment 2

The following text is proposed to be added to the Minnesota Constitution, Article VII, Section 1 (a).

(b) All voters voting in person must present valid government-issued photographic identification before receiving a ballot. The state must issue photographic identification at no charge to an eligible voter who does not have a form of identification meeting the requirements of this section. A voter unable to present government-issued photographic identification must be permitted to submit a provisional ballot. A provisional ballot must only be counted if the voter certifies the provisional ballot in the manner provided by law.

(c) All voters, including those not voting in person, must be subject to substantially equivalent identity and eligibility verification prior to a ballot being cast or counted.

Ballot Question: Shall the Minnesota Constitution be amended to require all voters to present valid photo identification to vote and to require the state to provide free identification to eligible voters, effective July 1, 2013?

~ Voting in Minnesota ~

Are same-day registrants' eligibility to vote verified?

Yes, in multiple ways. On Election Day, same-day registrants must provide proof that they currently reside in the precinct and sign an oath that they are eligible. Their data is verified with the Department of Public Safety Division of Driver and Vehicle Services, Social Security Administration, and state Department of Corrections. Local election officials check to be sure that no one votes more than once and send a non-forwardable postcard to verify their addresses. If any of these checks indicate a problem, county election officials are required to forward the information to the county attorney for further investigation and possible prosecution for a felony-level offense.
